

The Architect has made every effort to set forth in the Contract Documents the complete scope of the work. The Contractor is never the less cautioned that minor omissions and discrepancies in the drawings shall not constitute a basis for claims for extra work, delay and improvements in accordance with the intent of these documents. It will be the responsibility of the Contractor to verify the accuracy of the drawings and to advise the attention of the Architect in writing, prior to submission of proposals or to commencement of construction, with the date and registration of the Texas Board of Architectural Examiners these documents may not be used for construction unless the Seal of the Architect of Record is present. The Seal of the Architect of Record is the property of the Architect and shall not be used for any other project without the written consent of the Architect. The drawings prepared by Carlin / White for this project are restatements of the Architect's services for the use solely with respect to this project and, unless otherwise provided, documents and shall retain all common law, statutory and other reserved rights, including the copyright.
